Common Council Item Number: ID 18-1274	Date: 9/18/2018
Submitted By: Fred Abadi, Director of Public Works	City Administrator Approval: Kevin Lahner, City Administrator
Finance Department Review: Rich Abbott, Finance Director RA	City Attorney's Office Review: Brian Running, City Attorney
Subject: Review and act on the Strategic Transportation Aids Resolution.	
Details: In support of a League of Municipalities initiative called the "Just Fix It Campaign", the Mayor's Office and the Department of Public Works offer the Strategic Transportation Aids Resolution to allow the City to go on Record asking the State of Wisconsin to pass a sustainable funding plan for transportation. Currently, the funding that many local governments receive from the State are equal to 2011 levels when adjusted for inflation. The States revenue and spending plan implemented should address both our Interstates that were built in the 1950's and 60's and our local and state roads. Both local and state roads need to be properly maintained for our economy to grow.	

Options & Alternatives:

To not approve the resolution and not request the State of Wisconsin to pass a sustainable funding plan for transportation.

Financial Remarks:

If the State of Wisconsin passes a sustainable funding plan for transportation, the City of Waukesha will receive additional state aid. Additional state aid will positively impact the City's budget.

Executive Recommendation:

To approve the Strategic Transportation Aids Resolution
