To: The Waukesha Common Council

I would like to tender my application for the vacancy in the Common Council for the City of Waukesha created by the retirement of Bill Boyle.

I have been a lifelong resident of Waukesha since moving here with my family in the 7th grade. I attended Horning middle school, Waukesha Central and Waukesha South High School graduating in 1977. I continued my education graduating from UWC -Waukesha, and earned a bachelor's degree in Business Administration from the University of Wisconsin Milwaukee.

I have been married for 25 years to my wife Vicki and have one son Christopher age 21. My family and I reside in district 14 for the past 19 years. We own a home at 1924 Tallgrass circle in the Tallgrass subdivision.

I have served two terms on the homeowners association and have experience in working with other board members to serve 105 homeowners to create a great community. I have over 30 years at the same job as the owner of Currie Park Auto Repair located at 10745 W. Capitol Dr. in Wauwatosa, making financial and business decisions since December of 1980. I own and manage my own business and have proven that I can make thoughtful decisions and offer input which would help the Council. I can work well with others and will work hard to serve Waukesha for many years to come.

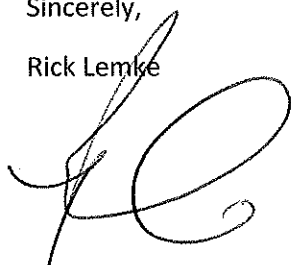

The City of Waukesha has been good to my family and myself and I have a strong desire to continue to give back to my community and the residents of Waukesha.

I am willing to meet with any council members to discuss the application or appointment if requested.

I look forward to hearing from you in the future.

Sincerely,

Rick Lemke
