<b>Finance Department Review:</b> Rich Abbott, Finance Director RA	<b>City Attorney's Office Review:</b> Brian Running, City Attorney
<b>Subject:</b> Install a stop sign on the northbound and southbound approaches of Wilbur Avenue with E. Laflin Avenue.	

**Details:**

This item was brought forward by Ald. Moltzan. The request is to install a stop sign on southbound Wilber Avenue at E. Laflin Avenue. A stop sign does not exist today for southbound but does exist for northbound. However, our review of records indicates the northbound stop sign was never formally approved to be installed. In order to be clear on both northbound and southbound directions, Public Works is recommending a stop sign be approved for both approaches to E. Laflin Avenue. Just the southbound direction will require a sign to be installed. The cost for this signing will be around \$70.

The Building and Grounds Committee voted unanimously to approve this item.

**Options & Alternatives:**

None considered.

**Financial Remarks:**

The cost for this signing will be around \$70 and covered by the 2019 Building and Grounds Sign Budget (3310.54140).

**Executive Action:**

The Department of Public Works recommends approval of this item.

**Committee Recommendation:**

The Building and Grounds Committee approved this item at their June 17, 2019, meeting. This item will appear under the Consent Agenda for the July 2, 2019, Council meeting.
