<b>Subject:</b> Install a sign on westbound W. Moreland Blvd. at Delafield Street that reads "Right Lane Must Turn Right Except for Transit Buses".	

**Details:**

This item was brought forward by Public Works and Transit. With the resurfacing of W. Moreland Blvd. this summer Engineering has incorporated new pavement marking on westbound side of the street. Two lanes will continue westbound to Delafield Street and the outside lane will drop off to a right turn only lane. This new right turn lane is coincident with the westbound bus stop location at this location. The request is to approve signing that indicated that westbound right turning traffic must turn right and that a transit bus can, when it's safe to make the maneuver, go straight from that right turn lane to continue west down W. Moreland Blvd. The cost for this signing will be around \$100.

The Building and Grounds Committee voted unanimously to approve this item.

**Options & Alternatives:**

None considered.

**Financial Remarks:**

The associated cost for installing this signing is expected to be \$100 and would be funded out of the street resurfacing project account # 2006.68290.

**Executive Action:**

The Department of Public Works recommends approval of this item.

**Committee Recommendation:**

The Building and Grounds Committee approved this item at their June 17, 2019, meeting. This item will appear under the Consent Agenda for the July 2, 2019, Council meeting.
