Dear Historic Preservation Commission Chair:

I am pleased to enclose copies of the "Wisconsin Certified Local Government Historic Preservation Commissions Report 2019" and the summary fact sheet.

It is important that others know about the value commissions bring to communities. Please share this report widely in your community and with your elected officials. We are also sending a copy to your chief elected official. Your commission may also use copies of the report to educate citizens about your work as a historic preservation commission. A printable PDF version of both the study and the summary may be found on our website at [www.wisconsinhistory.org/clg-report](http://www.wisconsinhistory.org/clg-report). You may also link to this page from your commission website.

This project was funded through the generous support of the Jeffris Family Foundation. If you have questions regarding this project, please contact Joe De Rose at either [joe.derose@wisconsinhistory.org](mailto:joe.derose@wisconsinhistory.org) or (608) 264-6512.

Sincerely,

Daina Penkiunas  
State Historic Preservation Officer
