Dear Bruce,

Thank you for your investment through the Waukesha County Community Foundation (WCCF).

WCCF believes in the power of philanthropy and that thoughtful strategies, combined with a generous community, make Waukesha County a place where everyone feels at home. It all began in 1999 as a dream around a table of local, passionate people, and has grown to be one of the community's most trusted resources. We are proud to be celebrating our 20th year of partnership with the community.

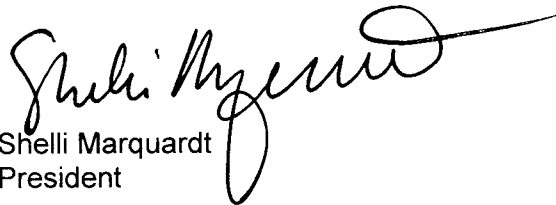

It is my pleasure to provide the following information on the investment performance for our charitable funds so far this year:

Northern Trust returns for the first 6 months of the year were 12.44% against a benchmark of 11.30%.

Our community grants are announced annually at the Giving Forward breakfast. At the event, we showcase the work of WCCF and highlight the efforts of three area non-profits. This year's breakfast will be held on October 30 at the Ingleside Hotel. We hope you will mark your calendars and plan to join us.

We couldn't undertake this important work without you, and we remain, as always, grateful beyond all measure.

Yours truly,

Shelli Marquardt
President
