The employee is required to follow the Library's separation procedure as outlined in Policy B-4. ~~Along with these requirements~~ The employee must **also** provide to his/her department head, and subsequently to the City Human Resources Department the ~~following dates~~ last date the employee will physically be at work. ~~b. The last date the employee will physically be at work.~~

~~Note: No benefits accrue after that date.~~

- b. If the accrued current year benefits are to be paid out in one lump sum. ~~or let 'run out.'~~
 - i. Vacation accrued during the current year for the following year will be paid in one lump sum on the final paycheck. ~~(WPPA and IAF members only) Non-union employees will receive any hours in their vacation bank.~~
 - ii. In the case of a disability application, accrued benefits are to be paid per the Wisconsin Retirement System statute.
- c. The date the employee will receive his/her last payroll check. The date will be a regularly scheduled payroll date.

In cases where an employee is incapacitated and can no longer perform the duties of the position which he/she holds and where retirement (40.65, 40.63 or otherwise) or termination is necessary given the circumstances, sick leave benefits would be paid with proper authorization up to and including the retirement or termination date, providing the employee has adequate accumulation. As long as the employee is on authorized sick leave (~~paid or FMLA~~) status, benefits will continue to accrue.

- d. Personal Holiday (Reference Policy C-1, Holidays)

As is stated in Policy C-1 and reiterated herein, to be eligible for holiday pay, employees must work the entire regularly scheduled workday before and after a holiday, unless excused from work with pay for the entire scheduled work day(s).
