Subject: Mindiola Park – Final Site Plan & Architectural Review	

Details:

The Park Rec. and Forestry Dept. is proposing improvements to Mindiola Park, including a new artificial turf field, field lights, a scoreboard, and an new vinyl coated chain link fence around the new turf field. A future press box and a future concessions/restroom building are also being shown on the site plan. There is a lack of landscaping for this park and that is intentional, this site is a former landfill and the DNR has prohibited landscaping other than grass, to protect the landfill cap.

Options & Alternatives:**Financial Remarks:****Staff Recommendation:**

Staff recommends approval of the plans for Mindiola Park with all Department comments to be addressed.
