Please provide a brief explanation of the merits of the project:

We would like to nominate Linda Hansen for the John Schoenknecht Spirit of Preservation Award, for 14 years of dedication to the history of Waukesha.

Linda has volunteered for over 10 years at the Waukesha County Historical Society and Museum, helping to preserve donated objects and documents. Through the Waukesha County Historical Marker Program, she has helped preserve historic stories and has written them for area publications.

Linda also served on the Landmarks Commission for 6 years, helping to preserve Waukesha's historic buildings. In addition, she headed up the Springs Committee, helping to maintain the springs and the significance of the Waukesha Springs Era.

The results of Linda's efforts over the past 14 years can be seen throughout the city in historical signage, buildings and the springs. Because of her exemplary dedication to preserving Waukesha's history, we ask that you honor her with this award.
