Hi Bobby,

Yes, I would have been the one you spoke with. I will ask the water utility to send your usage so I can review it again.

We will let you know when it is scheduled for Board of Public Works review and approval.

Thanks,

Alex

Hey Alex –

It's hard to believe we've been in our house for now a full year but I wanted to reach out to you regarding a sewage credit for the very large water bill we had from watering our sod this past year. I believe it was you that I spoke with about a year ago. Our address is 2500 Marie Circle, Waukesha 53189.

Please advise when you have a free moment. Thanks!
