Dear City of Waukesha,

It is our understanding that our neighbors, Chad & Sandi Staeben, have requested a variance to put a sunroom on the back of their home at 3931 Rivers Crossing Drive in Waukesha. Although the sunroom would put an extension 10 feet past the zoning code, we have no objection to them doing this. Therefore, we encourage the board to grant them this variance.

Thank you,

To Whom it May Concern,

Chad & Sandi Staeben, out next-door neighbors, are looking to build a sunroom on the back of their house. In doing so they will have an extension of 10 ft past the code for our neighborhood. We see no problems on our end if they wish to build it. Please grant them the variance to build it.

Thank You,

A handwritten signature in cursive script that reads "Brian & Lesa Radloff". The signature is written in dark ink and is positioned above the printed names.

Dear Waukesha Variance Board,

Our neighbors behind us, Chad & Sandi Staeben, are looking to build a sunroom on the back of their house that would put an additional 10 ft of structure past code at 3931 Rivers Crossing Drive in Waukesha. We have no issues with them building the sunroom on their property, please grant them the variance that they are asking for.

Sincerely,

The image shows two handwritten signatures in black ink. The signature on the left is 'Dinos' and the signature on the right is 'Leah'. Both are written in a cursive, flowing style.
