RE: PRFB Agenda Item - Approve the purchase of a 2021 Trackless

This request is for the final approval to purchase a 2021 Trackless through MacQueen equipment, in the amount of **\$192,727.00**. The replacement Trackless is a MT7 . This is replacing a Trackless MT5, that is used primarily for snow duties on Park and City properties. It also is used for select flail mowing throughout the City. This machine's price was obtained through State bidding. This was approved in the 2021 CIP Fleet Budget.

Thank you,

*Melissa Lipska*
