

**2021 GEORGE GUNN AWARD FOR EXCELLENCE IN
HISTORIC PRESERVATION/RESTORATION NOMINATION
FORM**

The George Gunn Award is named for George Gunn, AIA, long-time member of the City of Waukesha Landmarks Commission representing the architectural profession. As a member of the Commission, Mr. Gunn had an abiding interest in maintaining the architectural integrity of structures through the processes of accurate historic preservation and/or restoration. To this end, he shared his expertise unselfishly with those engaged in such projects. The George Gunn Award will honor and be presented to those individuals who exhibit the Gunn spirit in preservation/restoration projects involving structures representative of Waukesha's rich architectural history. Typically, this award is given to individual(s) who are working toward or have completed a "top-to-bottom" restoration of a historic building.

Nominations should be submitted to Charlie Griffith in the City of Waukesha Planning Department, 201 Delafield Street, Waukesha, WI 53188. Nominations may also be submitted by e-mail to cgriffith@waukesha-wi.gov.

All nominations are due no later than Monday, April 5th, 2021. The Landmarks Commission will review nominations at the April 7th, 2021 meeting.

Please provide a brief explanation of the merits of the project:

I would like to nominate Marla & Jeff Anderson for the restoration of the John Deck-William E. Stephens House at 530-532 madison street. When we moved into the neighborhood in 2016 it looked like a haunted house; it was neglected, falling apart and lost under the landscaping. It truly has been transformed into a jewel in the historic district! Repairs were made to roofs, siding, the porch and decks. Water damage was repaired and the interior became habitable again! The new paint colors pop and bring out the details. Bravo! Excellent work!
