## 5. Reports

### a. Cemetery Manager's Report

For 2021, 40 services to date, March had 18 burials and April has 8 burials by end of this week. Sales are above average with 28 total. We are meeting with families on site or at City Hall. The sooner the better we can open, there are logistical challenges with the building closed. Praise the cemetery staff. Will send total of sales out to Commission.

### b. Cemetery Commission President's Report

Citizen called asking when chapel will open, will get back to them after this meeting. Suggest getting as much information out as possible.

### c. Alderman's Report

Reported to Council that last meeting did not have quorum so it was suspended. Has received calls of concern from the public about not being able to use restrooms. Stressed as an awareness, we need to get this going as this is the busiest time of year for the cemetery.

## 6. Referrals

**New Business items will go to City Council.**

## 7. Set Next Meeting Date

**Last year the plan was every other month. Due to activity we need to have a May meeting. Will confirm with Commission that May 10th will have quorum as Curt Andrews will not be available and Ed Raether was unavailable tonight. Meeting will be virtual. Alderman assignments to commissions will happen at City Council meeting on April 20. We need additional members on Cemetery Commission.**

## 8. Adjournment
