Job # 50058

Charlie Griffith, AICP  
City of Waukesha, Association Planner  
201 Delafield Street  
Waukesha, WI 53188

Re: Silverian Spring - Ventilation

Dear Charlie:

In order to get ventilation to the sub-basement we would do the following:

- Remove a 10'-0" x 5'-0" sidewalk slab.
- Hand dig out old ventilation pipe.
- Remove old sleeve and install new sleeve with a heavy-duty grill.
- Back-fill and install new sidewalk.

**The cost for the above work is \$ 4,700.00.**

Yours Truly,

A handwritten signature in black ink, appearing to be "R. Ford".

Robert F. Ford
