MEMORANDUM

Date: June 10, 2021

To: Water Utility Commission

From: Dan Duchniak

Re: 7/1/2021 Business Insurance Renewal

The expiration of our current policy for business insurance is approaching on July 1. The attached spreadsheet shows that if we retain our current status quo level of coverage for all lines, our total package premium will increase \$5,073; 6.21%.

This increase can be attributed to the following factors:

- The automatic 2% increase in property valuation (\$624);
- The addition of the invaluable \$461,000 Mud Dog purchased last year (\$3,066);
- The increasing cost of cyber risk Coverage (\$1,006).

The Mud Dog is covered by LWMMI's Auto Physical Damage and Auto Liability policies. For comparison purposes, if we remove the Mud Dog coverage, we estimate that our premium increase would be only 3%.

A change to note, the LWMMI auto liability coverage will no longer be at 'Replacement Cost' (RC). Effective January 1, 2021 coverage will be at a combination of RC and 'Actual Cash Value' (ACV) based upon age and value of the vehicle. Considering the age and value of our fleet, we do not see this as a concern or a negative.

Our <u>Cyber Risk Management</u> coverage is currently provided by Chubb. Based on the current vulnerabilities to all businesses, and in particular, public sector water suppliers, Chubb has stopped offering this coverage. Our renewal includes coverage by our Liability carrier LWMMI.

For <u>Workers Compensation</u> coverage, we recommend renewal with our current carrier, Erie Insurance. Our potential premium dividend decreased from 42% to 40%, but this is still a very favorable dividend for our industry. Our Workers compensation Factor increased slightly from .69 to .70, which is still a good reflection of our safety record.

Recommended Motion: Approve Business Insurance Coverage for the 7/1/21 policy year with LWMMI for Liability and Cyber coverage, MPIC for Property and Equipment Breakdown coverage, Hanover for crime coverage, and Erie for workers compensation at the quoted premiums and coverage limits.
