Subject: Please approve installation of a permanent speed feedback signs for westbound Arcadian Avenue east of Oakland Avenue.	

Details:
This item was referred by Ald. Rodriguez in response to traffic / pedestrian safety concerns on Arcadian Avenue, specifically at the Oakland Avenue intersection. In May and June of 2021, Engineering staff had conducted a traffic study of this area to develop a plan of action to address vehicular traffic and pedestrian safety issues. The study results show the subject improvements would benefit the overall traffic safety on the Arcadian Avenue corridor, specifically to slow traffic down prior to the Oakland Avenue intersection. The Department of Public Works recommends approval of this item. The cost for installing a permanent speed feedback sign would be around \$4,000.

Options & Alternatives:
A traffic study of the Arcadian Avenue was completed by staff that precipitated the subject item.

Financial Remarks:
The cost for installing a permanent speed feedback sign would be around \$4,000 and covered by the 2021 Building and Grounds Special Projects Budget (3310.54141).

Executive Recommendation:
The Department of Public Works recommends approval of this item.
