[ID#17-0533](#) Discuss status of Waukesha Canvas Project.

Waukesha canvas project moving along. Dated filling up. Created a logo based on public art committee logo. Partnering with Park Rec and organizing supplies. Step by step directions will be provided; will provide a calendar to the committee. Publicity about the project will be developed and hoping to be up and running by the end of may.

Alderman Payne - request for some info; talking points or handouts to present at council meeting.

Objective is for each participant to create a tile of what they love about Waukesha. All the small canvases will be put together in a larger assembly.

Dave said the library doesn't have a large display space, but this one will be a freestanding display.

Need volunteers when we get the calendar together.

[ID#17-0534](#)

Discuss new art exhibit in June and meeting/reception date.

Summer long exhibit, June, July and August but wwill start a bit later this year. June 6th artists will bring works for hanging.

7. Communications

a. Staff Report

b. Commission President Report

Possible to promote the canvas project at the library; Gwenda will talk to cory at the library.

Artistic bike racks will be going in; pizza rack and a pint glass behind Magellen's and House of Guinness (will be behind because there is not enough room on Main Street). Would this group be willing to partner with the bike alliance? Bike alliance funds the project; perhaps a design competition.

Ald Payne - possibly reach out to the local high school shop programs or WCTC.

Bike alliance meets in May so Dave can bring this back to the June Public Art meeting.

c. Alderman's Report

Follow-up on developer contribution to Public Art.
