This referral was made by Ald. Boyle. As depicted in the subject, residents on Walden Circle objected to having No Parking signs installed and have requested the previously approved No Parking zone (ID#16-1275) be rescinded. This item was placed on hold from the previous B&G meeting. Engineering and Fire Department staff have recently reviewed the No Parking proposal on Walden Circle and have recommended approval of a different No Parking Zone which will be explained in ID#17-0012. Since a new zone is recommended, this existing zone can be rescinded. Therefore, staff recommends approval of this item (that is to rescind the previously approved No Parking zone). For more details, please see the attached Administration review form for this item.
