This referral was made by Public Works and endorsed by Ald. Boyle. This item was derived from a field review of the parking issues on Walden Circle by engineering and fire department staff. It was concluded that a shorter, revised No Parking zone can be installed in such a way that, we feel, will be better received by the residents on Walden Circle. See the attached Administration Review form for ID#16-1656 for more background information on the previous parking zone. This item ID#17-0012 is recommended for approval.
