This referral was made by Ald. Thieme. Business owners at 1717 Paramount Drive have requested some additional on street parking be made available on a straight stretch of street located just east of their building. The location described above currently has No Parking Any Time. The request is to change a portion of the No Parking area to be 2 hour parking. This two-hour parking area will help the business owners with providing 2 hour parking for visitors and guests. Staff agrees with this change and recommends approval.
