Date	Ver.	Action By	Action	Result
11/8/2018	2	City Council	Passed by consent vote	
10/15/2018	2	Building and Grounds	recommended for Council Consent	Pass

Referral was made by the Department of Public Works. The City is constructing a new crosswalk on Walton Avenue at the entrance area to the STEM School, approximately 300 feet south of W. College Avenue. The above item is to establish No Parking north and south of the new crosswalk on both the west and east sides. It should be noted that the east side of Walton Avenue has a 2 hour parking zone that will remain in place.
