The design of the roadway has opened opportunities to have more on-street parking where it did not exist before. For this particular item, some parking stalls have been created on the east side of N. Barstow Street just south of Corrina Blvd. outside the liquor store. Staff has reviewed the parking in this area and determined that having a 30 Minute parking zone was appropriate for this new section of parking due to its close proximity to Discount Liquor and most persons using the stalls are patrons of the store. The 30 Minute parking stall will encourage proper turn-over of the stalls. Staff recommends approval of this item.
