Code sections:					
Attachments:	1. 20-1445_Install LED Stop System For Arcadian and Pleasant, 2. B and G Resolution RTC for the 12-15-2020 CC Meeting CONSENT AGENDA				

Date	Ver.	Action By	Action	Result
12/15/2020	2	City Council	Passed by consent vote	
11/30/2020	2	Building and Grounds	recommended for Council Consent	Pass

This item was referred by Ald. Miller in response to a study that was completed by Engineering staff for accident issues and non-compliance of stop signs at the intersection of Arcadian Avenue and Pleasant Street. Ald. Miller is requesting the expenditure of funds to purchase LED blinking stop signs at the intersection. The staff study report indicated support for a flashing system as means to reinforce awareness of the stop condition. The Department of Public Works does not have any issues with this item.
