File #: ID#16-1536, **Version:** 2

This referral was made by Ald. Reiland by request of Bethesda Elementary School. School drop off and pick up times have changed and changes to the "No Parking" designations have been requested. Another alternative was brought up which is to have more time and day information. An alternative that the committee may consider is approving "No Parking, 9:00 am to 3:30 pm, Monday to Friday, September 1 to June 15" . Said additional information will not cost more to produce on the sign. Public Works supports these changes and recommends approval.
