This item was brought forward by Ald. Thieme in response to local businesses having issues with parked cars on Dolphin Drive and Marlin Court. Approval of these no parking zones will keep the parking areas free of vehicles, mainly during the day, to allow for trucks making deliveries to have clear site lines and movement to and from the intersection of Dolphin and Marlin.

Ald. Thieme is working with Community Development to possibly find an alternative funding source for the signing.

The Department of Public Works does not have an issue with this signing and recommends approval.
