In 2017 and 2018, the ADHOC Downtown Parking Committee met to discuss parking in Municipal Lots and to discuss downtown street parking. The committee has concluded its review of Municipal Lots and have recorded their recommendations in meeting minutes available to the public. The ADHOC committee will continue to meet in the future to discuss street parking.

This agenda sheet review document contains all the proposed changes recommended by the ADHOC Downtown Parking committee to the Buildings & Grounds committee. The item ID's list both rescinded items and new proposed items. All items will be discussed at the March 5, 2018 B&G meeting.
