This item was brought forward by Public Works. The City is in the process of reconstructing South Street and Gaspar Street. The proposed street improvements will require several existing parking zones to be removed and several new parking zones to be formed.

This item is to rescind No Parking on the north side of South Street adjacent to the Rotunda. The new city street layout in this area will allow for parking on this side of the street. The Department of Public Works recommends removal of this No Parking zone.
