File #: ID#18-0471, **Version:** 2

This item was brought forward by Public Works. The City is in the process of reconstructing South Street and Gaspar Street. The proposed street improvements will require several existing parking zones to be removed and several new parking zones to be formed.

This item is to approve the standard 2 hour parking zone in place of the rescinded item. The Department of Public Works recommends approval to revert these parking spaces back to 2 hour parking.
