File #: ID#20-0956, **Version:** 6

The design of the roadway has opened opportunities to have more on-street parking where it did not exist before. For this particular item, some parking stalls have been created on the east side of N.W Barstow Street just to the south of E. North Street. Staff has reviewed the parking in this area and determined that having parking zone of 2 hour parking, 7am to 4pm was appropriate since there is the same parking zone on the east side of Barstow Street. Staff recommends approval of this item.
