This item was referred by Public Works and endorsed by Ald. Wells. The subject intersection corner has residents that park up to the crosswalk on both sides of W. Newhall Avenue. This item is to install No Parking any time on the north side of W. Newhall Avenue to make the intersection proper less congested with parked cars and to accommodate larger vehicles that are turning from southbound Grand Avenue to westbound W. Newhall Avenue. The Department of Public Works recommends approval of this item. The cost for installing the No Parking signs would be around \$150.
