File #: ID#21-3042, **Version:** 2

This item was brought forward by Ald. Bartels. Residents in the Rolling Ridge neighborhood want a sign installed on Willard Lane at Lancaster Drive. Said intersection is currently uncontrolled. The Department of Public Works has no issues with installing a stop sign at this location.

The cost for installing the Stop Sign would be around \$100 and covered by the 2021 Building and Grounds Sign Budget (3310.54140).
