<b>Committee:</b> Building and Grounds	<b>Date:</b> 5/5/2025
<b>Common Council Item Number:</b> ID#25-00673	<b>Date:</b> 5/20/2025
<b>Submitted By:</b> Alex Damien, Public Works Director	<b>City Administrator Approval:</b> Anthony Brown, City Administrator
<b>Finance Department Review:</b> Joseph Ciurro, Finance Director	<b>City Attorney's Office Review:</b> Brian Running, City Attorney
<b>Subject:</b> Please convert the intersection of Westowne Avenue and Brad Street to a 4-way stop.	

**Details:**

5/5/2025. This item was brought forward by Ald. Pieper as a referral to convert the intersection of Westowne Ave. and Brad St. from a 2-way stop to a 4-way stop. Engineering staff will present their findings along with a possible alternative.

**Options & Alternatives:**

1. Engineering recommends switching the stop control from Brad St. to stopping Westowne Ave.
2. The other alternative would be to make the intersection of Brad St. and Westowne Ave a 4-way stop.

**Financial Remarks:**

If Alternative #1 is chosen, there would be no cost. The existing stop signs and posts are in good condition and could be reused. If Alternative #2 is chosen, the costs for two new stop signs and posts would be around \$250. This would be charged to the 2025 Building and Grounds Special Projects Budget (3310.54141).

**Executive Recommendation:**

The Department of Public Works recommends keeping the intersection of Brad St and Westowne Ave a 2-way stop, but switch the stop control from Brad St. to stopping Westowne Ave.
