

Proposed Revised Public Hearing Notice Policy
January 2025

A public hearing to solicit and consider public comment shall be called whenever there is a proposal for a fare increase or a major service reduction resulting in revenue vehicle hours decreasing by 20 percent or more per route per service day.

The notice of the public hearing shall be published as a legal notice in The Freeman a minimum of 15 days prior to the hearing date. The notice shall also be posted for passengers at the Transit Center and/or revenue vehicles and be available to the general public through the Transit Commission's normal communication channels (ex. Website). The notice shall contain the date, time, and location of the hearing; and a complete description of the proposed change in fares or service. The notice shall also provide alternative ways besides speaking at the public hearing to submit comments.
