City of Waukesha Cover Sheet

Committee: Plan Commission	Meeting Date: 3/25/2026
ID Number: PC#26-0021	Ordinance/Resolution Number (if applicable):
Department Submitting: Community Development	Council Meeting Date:
Agenda Item Title: Final Site Plan & Architectural Review, 2101 Delafield Street, Lifeway – a request to approve final plans for a new 47,000 sq. ft. addition at the rear of the industrial building to support new packaging lines for the current and future needs of the Lifeway foods site located in the M-2 General Manufacturing District.	

Issue Before the Council: A request to approve final plans for a 47,000 sq. ft. expansion to the northeast end of the current industrial building located along the Northview Road side of the building.
Options & Alternatives: The Plan Commission could approve the application with or without conditions or deny it. If the application is denied the proposal will not be able to go forward
Additional Details: The applicant is looking to expand the current facility for new packaging lines to support the current and future needs of the Lifeway Foods site. The addition will be clad in vertical metal siding to match the existing building materials in this portion of the site. There are no windows proposed on the addition due to the dairy product packaging and storage in this portion of the facility. The building addition will be set back approximately 225 feet from Northview road. A series of new tree planting will be installed in the greenspace along Northview Road to soften the view to the industrial facility. Along with the addition to the building, the sidewalk will be installed along Northview road completing the missing segment from the neighboring property to the east over to the existing sidewalk near the Delafield Street intersection.
