Brandon Schwenn, City Engineer, presented this item. Ben Lange with Veridian Homes responded to Ald. Pieper's question as to whether there is a homeowner's association and if so, how does that factor into an agreement like this. Mr. Lange responded that typically, once the plan is approved and the lots establishes within the subdivision, Veridian will record the CCR and documents for the HOA. The Developer's Agreement all obligations will be completed by Veridian and the HOA. The warranties and guaranties will be on Veridian.
