RE: 1343 Ellis Street building addition

Please refer to included drawings for information on proposed addition to Zehnder Marketing Group, located at 1343 Ellis Street.

The facility is in need of additional warehouse space and proposes a 30-foot by 23-foot addition to the west side of existing structure. This space would mainly be used for shipping of their products. There would be no change to type of or hours of business operation.

If you have any further questions you can reach me at extension 2 at the number above.

Sincerely,

Boyd E. Coleman III; PE (E-25890)
