RE: Review and possible action on proposed Minaka Park playground design and equipment purchase **(2025 Approved CIP)**.

This request is for the final approval to purchase replacement playground equipment and for community build consultation in the amount of **\$185,967.00**. Minaka playground will be completely replaced using Lee Recreation representing Burke playgrounds. The purchase is being made through **Sourcewell purchasing consortium program**, which has been approved by the Common Council and accepted by the Finance Department as an alternative way to bid on equipment. Attached you will find supporting documentation. The park color scheme has not been finalized.

Thank you,

Melissa Lipska
