**RE: City of Waukesha Application for Development Review  
Entrance 6 Renovation  
1101 W. St. Paul Avenue, Waukesha, WI**

To Whom it may concern,

This project scope is a renovation of an existing vestibule entrance. The renovated entrance will continue to serve as the main entrance to the building. The renovation will maintain the existing interior SF while building out the exterior face of the entrance with light grey architectural metal panel to a maximum height of 22'-6". The entrance doors will be inset from the metal panel in a 15' tall clear glass curtain wall.
