Agenda Item Title: Review and Act on Proposed Bus Stop Changes	

Issue Before the Council:

This item is to review and act on proposed bus stop changes. The proposed changes are to reinstate the bus stop at the southwest corner of Michigan Ave. at Grandview Blvd. and eliminate the bus stop on Grandview Blvd. south of Michigan Ave. by Lowell Elementary. Due to recent changes in service, these two bus stops are now on the same route and are in very close proximity of each other and only one of the two stops are needed. With the School District of Waukesha voting to keep Lowell Elementary open, staff is recommending the proposed changes as it would be much safer overall to have the bus stop around the corner from the main entrance of Lowell on Michigan Ave. vs. on the same side as the main entrance of the school on the very busy Grandview Blvd.

In addition, staff is recommending the elimination of the bus stop on the south side of Michigan Ave at Western Ave. The bus stop has had virtually no ridership the past year and is in close proximity to the bus stop at Michigan and Grandview.

Options & Alternatives:

The only viable option would be to deny the recommendation, however, it would leave the bus stop by Lowell Elementary in a less safe location and leave another very low performance bus stop in place that is not needed.
