The subdivision will consist of 17 single family homes, plus four outlots. Overton Ave., which currently dead-ends into the east edge of the property, has been extended to serve the subdivision. It curves and runs north - south, to an intersection with Madison Street.

The majority of the lots will have an area between 12,000 and 13,000 square feet, with several larger lots around the curve of the road. The property was rezoned to Rs-3 Single Family Residential when the Preliminary Plat was approved in early 2024.

Outlot 1 and Outlot 2 will contain stormwater facilities for the subdivision. Outlot 3 will contain a small portion of Pebble Creek adjacent to Madison St. Outlot 4 will contain a wetland area at the north end of the property. A grass walking path will connect Heritage Hills Park, on the east side of the property, with the City owned passive recreation area along Pebble Creek.
