July 31, 2026

City Clerk, City of Waukesha
ATTN: CLAIMS
201 Delafield Street,
Waukesha, WI 53188

Our vehicle was hit by a baseball at Buchner Park, which is located at the corner of S. Greenfield Avenue & Racine Avenue in Waukesha, Wisconsin.

Location of where vehicle was hit is the addresses of 107-103 S. Greenfield Avenue in the southbound lane. The date was Monday: July 6, 2026 and the time was 6:10 PM.

Saw the baseball coming, it then hit the passenger side door and made a dent. Thankfully it didn't hit the windshield or the side window. Immediately went to the baseball area to talk to someone about what had just happened. Two men were there, acknowledged what had happened and they dismissed the incident, since there is nothing they can do.

Called Waukesha Park & Rec the very next morning of Tuesday: July 7, 2026 and spoke with Mark Thompson. Explained what had happened and asked why there is no better type of fence or netting installed to prevent baseballs from straying outside the park and hitting vehicles? He explained cost would be tremendous to the City to do so. Was then directed to City of Waukesha web site; he said to follow procedures as listed.

Provided are two estimates for damage to vehicle as was requested by Mark Thompson. Ranging from \$250.00 to pull out the dent and buff out the paint; or \$875.27 to repair the door panel and paint it. Our vehicle is in excellent shape with low mileage, and we would like to get dent fixed.
