and have the authority to approve or reject them. If unplanned expenses arise, they will be discussed by the team and reviewed by the City Administrator and Finance Director for approval. Any purchases for the memorials will follow the City's Purchasing Policy.

What is the Strategic Plan Priority this item relates to:

This item relates to Financial Sustainability, Service in Excellence, and Engaged Community.

What impact will this item have on the Strategic Plan Priority?

Approval of this agreement supports the Financial Sustainability priority because it establishes a funding mechanism to ensure the memorials are well cared for into the future. For Service in Excellence, this funding allows the opportunity to maintain these places of remembrance in a state they deserve to be held in. The Parade Memorial project was a large community effort that touched many across the community with thousands donating the funds that are in the account (Engaged Community).

Financial Remarks:

This agreement does not cost the City. It simply continues the relationship with the Waukesha County Community Foundation and allows for the fund to turn into a maintenance account and for the City to access them for maintenance activities.

Executive Recommendation:

Approval of the agreement is recommended.

Recommended Motion:

I move to approve the contract for the Waukesha Christmas Parade Permanent Memorial Fund with the Waukesha County Community Foundation.
