**PROCLAMATION
NATIONAL ENGINEERS WEEK**

WHEREAS, engineers use their scientific skills and specialized knowledge and skills in creative and innovative ways to fulfill society's needs; and

WHEREAS, engineers help solve major technological challenges of our time - from designing efficient water systems to managing flooding; and,

WHEREAS, engineering has been called the invisible or stealth profession because everything around us and things we use every day have been engineered in some way, yet we may not see the engineers behind the scenes or know much about engineering; and,

WHEREAS, founded in 1951, National Engineers Week is dedicated to ensuring a diverse and well-educated future engineering workforce by increasing understanding of, and interest in, engineering and technology careers; and,

WHEREAS, the City of Waukesha is proud to have talented engineers on our team that are helping to improve our community and quality of life; and,

WHEREAS, it is most appropriate that we recognize the accomplishments of our City engineers and all the engineers working throughout the City.

NOW THEREFORE, I, Shawn Reilly, Mayor of the City of Waukesha, do hereby proclaim February 22-28, 2026 as

NATIONAL ENGINEERS WEEK

in the City of Waukesha and urge all citizens to join me in recognizing the important contributions of engineers to our daily lives.

Signed this 3rd day of February 2026

Shawn N. Reilly, Mayor
City of Waukesha
