FINDINGS OF FACT AND RESOLUTION  
BOARD OF ZONING APPEALS

The APPEAL of Brett Stegerwald for a Dimensional Variance from Section 22.58(2)(l)(3)(C) of the zoning code. If granted, the variance will allow construction of a solid fence at 240 Douglass Ave., in the street yard fronting the street that is the property's address, when solid fences are allowed in side yards and rear yards only.

- 1) That there are exceptional or extraordinary circumstances or conditions applying to the property in question, or to the intended use of the property, that do not apply generally to other properties or classes of uses in the same zoning district. (Sec. 22.68(3)(b)(1)(A) Zoning Code).

Affirm (it is exceptional) \_\_\_\_\_

Dissent (it is general or not exceptional) \_\_\_\_\_

- 2) That such variance is necessary for the preservation and enjoyment of substantial property rights possessed by other properties in the same zoning district and in the same vicinity. (Sec. 22.68(3)(b)(1)(B) Zoning Code).

Affirm (equal property rights could not otherwise be enjoyed) \_\_\_\_\_

Dissent (the same property rights can be enjoyed without a variance) \_\_\_\_\_

- 3) That a variance is not being requested solely on the basis of economic gain or loss, and that self-imposed hardships are not being considered as grounds for the granting of a variance. (Sec. 22.68(3)(b)(1)(C) Zoning Code).

Affirm \_\_\_\_\_

Dissent \_\_\_\_\_

- 4) That the authorizing of such variance will not be of substantial detriment to adjacent property and will not materially impair the purpose and intent of the Zoning Code or public interest (Sec. 22.68(3)(b)(1)(D) Zoning Code).

Affirm (adjacent property and/or public interest will not be detrimented) \_\_\_\_\_

Dissent (adjacent property and/or public interest will be impaired if the variance is granted) \_\_\_\_\_

On the basis of the foregoing Findings of Fact, the Board took the action indicated in the minutes.

ATTEST \_\_\_\_\_  
Secretary to the Board
